BAN ALL ORVS USE IN THE BIB CYPRESS SWAMP. THEY ARE FAR TOO NOISY AND THE NOISE IS SO BAD IT IMPINGES EVERY OTHER USE IN THIS SWAMP. THIS IS NOT A CMOPATIBLE USE. IT IS NOT QUIET. IT IS NOT RESPCTFUL OF GOD'S WORK. THE DANGER TO THE KIDS WHO RIDE THESE THINGS IS ENORMOUS. THEY DIE FREQUENTLY WHEN RIDING THESE VEHICLES. OR THEY BECOME CRITICALLY INJURED. THE COSTS TO THE TAXPAYEERS FOR THESE NEGATIVE HEALTH EFFECTS ARE ENORMOUS. THE POLLUTION FROM THESE ENGINES IS ENORMOUS. THE CRITERIA FOR MFG THEM ALLOWS THE ENGINES TO BE TERRIBLY POLLUTING. THAT IS ANOTHER GOOD REASON TO KEEP THEM OUT OF THE SWAMP. THEY NEGATIVELY IMPACT ALL BIRDS AND WILDLIFE, CAUSING THEM TO BECOME HOMELESS TO GET AWAY FROM THE VENAL PEOPLE DRIVING THEM AND THE MACHINES THEMSELVES. BAN THESE VEHICLES FROM THIS SITE.
